

# Lord, Make My Life a Miracle Today!

Lord Jesus Christ, make my life a miracle today! *Make my life supernatural!* You're the original miracle and I live and move and have my being in you. In my own strength, I can't do what needs to be done or love those who need to be loved. So, I look to you acting within me in grace and I seek to do *all* that I do today as your apprentice in your kingdom.

Lord, you are the completely balanced Person: God the Father, God the Son, God the Holy Spirit, whole and sufficient in yourself. Holy and happy. Glorious and gracious. Abba, I adore you. Jesus, I embrace you. Holy Spirit, I rely on you.

Thank you, Lord God, that you are a rewarder of those who seek you. You are my reward — knowing you and serving you is the blessing of my life. No matter what troubles may come upon me, I have fullness of life in you and your kingdom. Truly, you are my joy and my delight. I love you! I want to live in your presence always.

Jesus, take me safely to the Silence which is the source of sound. In the battles, temptations, and trials of this day you are my refuge and my fortress. Heal my hurts. Calm down my worry and slow down my hurry. Lift up my head to your heavens all around me. Impress your thoughts on my mind and heart and guide my steps in your easy yoke. It's your Word that gives me life so I'm listening now and throughout this day for your still, small voice...

Today as I do all that I do, Jesus be the centre of my soul. Deliver me from dark powers so that I am free to be who you made me to be. Integrate all my fragmented parts so that my identity is in being the disciple you love. Focus all my distracted intentions on you in my midst, so that I can appreciate my opportunity to be with you and to rely on you in all that I do. I want my life with you to be the centre of my life.

O Spirit of God, you raised Christ from the dead and you live in me, you breathe in me, you cry out from within me: "Abba Father! Jesus is Lord!" Empower me now. Shine your light and your love in and through me so that in all I do today for me and those I meet the name of Jesus is sweet and the Father is honoured. Yes, I want to serve you with enthusiasm, to be a blessing to you and the people around me.

Jesus, I want to be all and only for you today and for eternity!

Amen!
